Sullivan University College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Sullivan University College of Pharmacy designates the amount of CEUs (contact hours) listed next to each session. Except where specifically noted, all sessions are designated as knowledge-based learning activities.

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. For selected programs, attendees must complete a Continuing Pharmacy Education Request online and may immediately print their statements of continuing pharmacy education credit at the ASHP eLearning site (elearning.ashp.org).

CEUs (Contact Hours)

10 hours of CE are available to select from with 6 hours maximum per attendee.

Faculty Disclosure

In accordance with the Accreditation Council for Pharmacy Education (ACPE) Accreditation Standards for Continuing Pharmacy Education and the policy of Sullivan University College of Pharmacy faculty disclosure of any relevant financial relationships with commercial entities must be given prior to presentation. Full disclosure was not available at the time of printing. Disclosure will be given verbally prior to each presentation.

Attendees will have approximately 6 weeks (June 19, 2015) from the last day of the conference to complete and submit evaluations for the sessions they attended. Evaluations that are not submitted within 6 weeks will NOT be uploaded to CPE Monitor, the database that stores pharmacy continuing education records". Instructions for completing course evaluations and instructions for getting your continuing education statements or credit can be found on the [KSHP website](#).

CPE Monitor is a collaborative service from the Accreditation Council for Pharmacy Education (ACPE) and the National Association of Boards of Pharmacy (NABP). CPE Monitor authenticates, stores, and streamlines data reporting and compliance verification for participating boards of pharmacy".

Pharmacists may obtain a unique identification number from NABP (www.nabp.net). This number is used to upload continuing education units to the NABP database. After CPE units are processed by ACPE and NABP, participants will be able to download and print their comprehensive CPE transcript from the CPE Monitor website.
