ARTICLE VIII INDEMNIFICATION

The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact that he/she is or was a director, officer, employee, or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another Association, partnership, joint venture, trust, or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by that individual in connection with such action, suit or proceeding if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the Association, and with respect to any criminal action or proceeding, had no reasonable cause to believe that his/her conduct was unlawful.

The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he/she reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

If a director, officer, employee, or agent of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to above, or in defense of any claim, issue or matter therein, he/she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by that individual in connection therewith.

Any indemnification (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that the indemnification of such person is proper because that individual has met the applicable standard of conduct set forth above; such determination shall be made (1) by the Board by a majority vote of a quorum consisting of directors not parties to such action, suit or proceedings or (2) if such a quorum is not obtainable, or, even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (3) by the members.

Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Association in advance of the final disposition of such action, suit, or proceeding as authorized in the manner provided in this Article upon receipt of an undertaking by or on behalf of such person to repay such amount unless it shall ultimately be determined that he/she is entitled to be indemnified as authorized herein.

The indemnification provided herein shall not be exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

The Board shall have power to purchase and maintain insurance on behalf of any person who is or was serving on behalf of or at the request of the Association arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions hereof.
