

Missouri Land Title Association

PURPOSE

MLTA promotes and protects the common interests of its members in facilitating the transfer of ownership of land. The "Shield of Protection" chosen at the first annual meeting represents the commitment of each member to the highest degree of accuracy, integrity and stability with the title industry.

DEVELOPMENT

Membership in MLTA shows your peers and clients that you desire to adhere to this high level of professionalism, and sets you apart in the title industry

EDUCATION

MLTA helps expand your knowledge base by offering numerous seminars, workshops, conferences and online courses. Classes are taught by local industry experts providing practical application to the challenges facing you in your career on a daily basis

CONNECTIONS

MLTA and its members work hand in hand with legislators to promote and track state and federal laws impacting you and your business.

Join Share Succeed

The Missouri Land Title Association has been advancing the value and professionalism of its members since 1907. For over 100 years the MLTA and its members have maintained the highest standards of the title profession, vigorously worked to protect and promote the public interest, and diligently encouraged personal growth within the industry. We are "The Professionals of the Title Industry"
